

STUDIO COVID 19 PROTOCOLS

Given the intimacy of our space, the health and welfare of our members and audience, and the emotional and economic toll of recent Covid variants on our community:

- **The Studio will be requiring all members and guest artists involved in a production to be vaccinated and to wear masks as appropriate.**
- **The Studio will require Proof of Vaccination at the door for all audience members. Since we are a small, intimate space, we encourage wearing a mask.**

Protocols will be updated as CDC Guideline dictate.
